

# NAVIGATE COMPENSATION

Now more than ever before, it's essential that your pay programs are driving your employee engagement and retention efforts. To navigate today's competitive, dynamic, and complex business landscape, companies need leading edge yet practical compensation strategies that are flexible, sustainable, and aligned with individual and organizational needs. Consult HR Partners is here to help!

Insightful Thinking.  
Custom Solutions.  
Sustainable Results.

## OUR APPROACH

Consult HR Partners provides expertise in the design and implementation of total rewards strategies and plans for companies of all sizes. Our customized, highly engaged approach ensures your compensation programs do what they're supposed to do: connect your employees to your company in ways that build loyalty, pride, and business value.

Designing compensation, benefits, and rewards strategies requires a holistic, transparent, and flexible approach to drive organizational change. We make sure your total rewards programs drive a motivated work environment and are aligned with your company's goals and values.

Our consultants can serve as dedicated experts providing ongoing or project-based support tailored to your organization's specific needs.

**Randy Stollar**  
Principal Consultant

Randy is an accomplished senior Human Resources professional with over 25 years of experience in senior HR leadership roles with diverse and highly reputable multinational companies. He has an extensive global and domestic U.S. generalist HR background with an expertise in Compensation and Benefits strategies, analysis, design, and execution.

**OVERVIEW**

In 2018, Randy chose to leave the corporate environment and joined Consult HR Partners to focus on supporting start-up, small and mid-sized organizations with their HR needs. As a business leader and consultant, Randy helps our clients rethink their employee compensation, benefits, and engagement programs within the broader landscape of their company culture and the expectations of today's unique workforce.

Partnering closely with clients to help them get in front of these dynamics, Randy builds innovative, cost effective HR solutions that achieve long-term business success.

Randy has been "in the trenches" and understands firsthand what it takes to build, communicate, and implement total rewards that are customized to your organization and set you apart from the rest.
