Executive Coaching and Assessment

Consult HR Partners
Insightful thinking. Custom Solutions. Sustainable Results

Consult HR Partners has a team of Executive Coaches available to help leaders in maximizing their influence, insight, emotional intelligence, and executive presence.

Insightful Thinking. Custom Solutions. Sustainable Results.

Each of our Coaches has been a business leader with complex, multi-state and/or global companies. This experience translates into creative insights and measurable outcomes for your business.

Every coaching engagement is unique. Our executive coaches will listen to the needs of our clients and determine, collaboratively, the ideal solution. We will work closely with your organization to create the optimal coaching experience for any leader looking to elevate their business acumen, skills, and strategic capabilities.

DESCRIPTION OF SERVICES:

Our standard executive coaching engagement is available for a 6-month period, a 9-month period and a 12-month period.

Intake and Discovery	Preliminary meeting with client; commence optional 360 assessment or other assessments; review coaching engagement and outcomes with the client
Stakeholder Alignment	At least three (3) meetings in total, ideally held before, during, and after coaching engagement
Coaching Sessions	One (1) to two (2) sessions per month for at least one hour
Just-In-Time Support	Additional hours can be allotted per month
Email Correspondence	Email support between sessions with customized assignments and resource sharing
